## APPLICATION FOR BLASTING PERMIT

This form is to be completed in its entirety, and submitted to the Township Fire Marshal's Office no less than three (3) working days prior to the proposed use date. (This time limit may be waived for blasters who have been reviewed by the Township within the last year). The form shall be accompanied by a Certificate of Insurance indicating a minimum of \$1,000,000 General Liability and \$4,000,000 Excess Liability Insurance and the permit fee.

**In order to minimize danger and/or inconvenience to businesses and resident, the following procedures will be followed by the Contractor:**

- 1. Provide a copy of PA State permit approval**
- 2. At least three days prior to blast nearby businesses/residence will be made aware of blast schedule.**
- 3. One half hour before the blast nearby businesses and residents will be notified.**
- 4. Prior to any blasting, representatives of the Contractor will visually check the area around the site for pedestrians and warn them of the impending blast.**
- 5. Any vehicles in the area will be moved to a safe area.**
- 6. Vehicular traffic on nearby roads will be halted.**
- 7. A horn will be sounded one minute before the blast and again 30 seconds before the blast.**
