Police Sergeant Attends Prestigious Academy

The Township congratulates Police Sergeant Steven Stefanski for completing the NJSACOP (New Jersey State Association of Chiefs of Police) Command and Leadership Academy.

The academy offers a unique blend of theory and application. Candidates with the greatest leadership potential are selected for the highly competitive program from all areas of law enforcement.

For a program of this caliber, law enforcement professionals who are selected make more than a casual commitment. It is an intensive, demanding, 14-week course that will pay dividends for Sgt. Stefanski and the East Whiteland Police Department.
