Blood Drive a Success!

The township hosted a Blood Drive on Tuesday, April 11th. Throughout the day, many donors come in and gave blood, including Supervisor Orlow (pictured to the left).

Christina Conboy from the Red Cross advised that 12 units of blood were collected. "Those 12 units will go on to help up to 36 patients in need."

The Township will continue to host blood drives, so keep your eyes on our website and social media for future ones.

Bishop Tube Update:

The Zoning Hearing Board rendered a decision on Monday, April 24th in the Bishop Tube Property Hearing. The variances requested were to allow attached dwellings and townhouses in rows of more than six units and associated improvements to be located in both steep slope and very steep slope areas and to allow two retaining

walls to be greater than the six (6) foot height limitation. The application was granted in part and denied in part and can be viewed.

Additionally, the Township is hosting an Informational Meeting on Wednesday, June 7th at 7:30pm at Great Valley Middle School, in the Choral Room (#514). Attendees include: PA Department of Environmental Protection, Board of Supervisors, Environmental Advisory Committee, Planning Commission, O'Neill Properties (Invited), Johnson-Matthey and Whittaker.

East Whiteland Township residents with concerns are encouraged to attend.
