

ENVIRONMENTAL ADVISORY COUNCIL

MEETING: January 9, 2014

Final MINUTES

In Attendance:

- Gary Sheridan, EAC
- Ginger Pohlman, EAC
- Brough Richey, EAC
- Rich McSweeney, EAC

Commence Time: 7:10 pm

- I. EAC meeting originally scheduled for January 2, 2014 was postponed to this date because of weather
- II. No official meeting in December 2013
- III. Reviewed and discussed information received from Williams/Doyle Land Services regarding the Transcontinental Gas Pipe Line (Transco).
 - a. Williams is proposing to conduct some facility modifications at Station 200, located in East Whiteland. The work would include some new piping and valves to allow for reverse flow of natural gas and occur within the facility fence line.
 - b. EAC members felt the information provided was sufficient at the current time.
- IV. Residual Waste Landfill Clean Closure – Cedar Hollow Quarry Residual Waste Landfill
 - a. Application and Closure/Post Closure Land Use Plan were reviewed
 - b. Landfill consists of lime kiln dust (approximately 60%), low quality lime (approximately 35 to 40%) and miscellaneous material (0 to 5%)
 - c. Estimated that clean closure activities will be completed before of during 2019 construction season
 - d. EAC members felt the information provided was sufficient and no concerns were noted
- V. Bishop Tube
 - a. No demolition permit obtained for site to date
 - b. Progress report received from Roux (Consultant) dated December 13, 2013
 - c. Site work is on hold pending anticipated building demolition
 - d. Offsite investigation delayed as access issues are being resolved
 - e. EAC (Jon or Ginger) will contact DEP to express concerns about delays with respect to onsite treatment of the source area.
- VI. Foot Mineral – O&M monitoring data has not been received
- VII. Malvern TCE – no new information
- VIII. Buckeye Spill
 - a. Gary provided EAC with a summary of the spill release events and clean up
 - b. Spill of approximately 5,300 gallons of gasoline
 - c. Spill was contained before reaching Valley Creek

Meeting Ended at 8:30 pm
