

SNOW and ICE EVENT Ready Notify PA

This is a reminder that Township law prohibits the parking of any motor vehicle, trailer, boat or camper on any public roadway within East Whiteland Township at any time from the beginning of the accumulation of any frozen precipitation (snow or ice) until the precipitation stops and the roadway is cleared by the East Whiteland Township Public Works Department.

The Public Works Department works very hard to clear township roads of ice and snow as quickly as possible to ensure that our police, fire and EMS personnel can quickly get to those in need of assistance.

People violating this ordinance are subject to a \$25 fine for each day in violation, plus the costs of prosecution. Residents that have no alternative location to park his/her vehicle are permitted to park in designated areas of the East Whiteland Township Municipal Building Parking Lot.

If you want to be notified of a Snow and Ice event please register with [ReadyNotifyPA](#) at <http://www.readynotifypa.org/>. It is a free service that will send important messages to your cell phones and email accounts. We encourage every township resident to register, so that you can receive timely notification of important events occurring in and around East Whiteland Township. We will also continue to post notifications on our [Facebook page](#) and on the official [East Whiteland Township Web Page](#).

Please help us help you by moving your vehicle from the street during inclement winter weather!
