

June 27, 2011

Dear Parents of Campers,

Welcome to the East Whiteland Township Summer Recreation Program. My name is Michelle Mariano-Fasano. This is my twelfth year as the Camp Director. I am a health and physical education teacher at Saint Monica's and Saint Norbert's during the school year. I received my Masters in Education in May 2008 from Immaculata University. I look forward to working with your child and making their summer a happy and successful one. I would also like to inform you that this year, as always, we have a fantastic group of enthusiastic counselors that will be working with your child. Many of our counselors loved camp so much last year they decided to come back for some more fun this summer. If you ever have any questions or concerns during the camp season, please feel free to stop in for a brief talk.

This camp season we would like to remind you that drop off in the morning is at 8:30am. Please remind your camper to wait outside the gym until the counselors arrive in the gym area. In addition, pick up is at 11:30 am. Out of respect for everyone, please pick up by 11:30am. If campers are not picked up by 11:45am, I will first make a phone call to the name on the registration list and then if you cannot be reached your camper will be able to be picked up at the East Whiteland Township Building.

Please make sure your camper comes to camp with sneakers. Flip Flops should stay home. In addition, snacks and drinks should stay home, unless there is a medical condition which you should then speak to me about personally. Every summer I do instruct our counselors to provide the campers with water breaks and extra water breaks on extremely hot days. It would be greatly appreciated if water bottles stayed at home this summer.

For the safety of your children it is extremely important that you park in the parking lot and walk to the front GYM entrance to pick up your camper. Campers will only be released to their parents when their parents walk to the outside front door entrance to gym. If there will be another person picking up your camper, **please write a note**, and let him or her know I will need to check their **ID** when they arrive. Please work with us to make the late morning pick up a huge success. We are only looking out for your children and want what is best for them. Thank you for your understanding.

Our township is trying to "go green" and again this summer we will post information on the township website concerning camp as well as have the camp calendar up to view. This will be the last letter provided on hard copy, however please let me know if you do not have access to the internet on a daily basis and we can make arrangements. Most letters will be on the website by Thursday afternoon for the following week's updates. The township website is www.eastwhiteland.org. Thank you.

You will see a schedule of events set for this camp season on the township website. Let's get ready to have some real fun!!!!!!!!!!!!!!!!!!!!!!

Thank You Again for you time and understanding!!!!!!

Sincerely,

Michelle Mariano-Fasano
Camp Director
