PennDOT Online Public Meeting

PennDOT Needs Your Input!
Online Public Meeting Tonight
to Help Shape Pennsylvania's
Transportation Priorities

Residents are encouraged to register for this FREE online Public Meeting and provide your input.

Every two years, the State Transportation Commission (STC) and the Pennsylvania Department of Transportation (PennDOT) update the current Twelve Year Transportation Program (TYP). The TYP outlines Pennsylvania's next 12 years of transportation projects.

These projects will effect your commutes in the future, so it is important to learn about these projects and provide your input!

Join STC Chair and PennDOT Secretary Leslie Richards for an interactive online meeting tomorrow evening at 6:30 where you will learn what's new at PennDOT, explore Pennsylvania's 2017 Transportation Performance Report, and have your questions answered live.
