RE: O'Neill/Bishop Tube

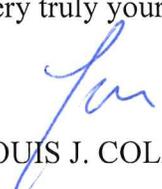

Dear Zach:

As discussed last week, we recently received municipal review letters regarding the pending Bishop Tube Preliminary Land Development Plan ("Plan"). We intend to submit revised plans addressing the comments set forth in those review letters. That submission will likely occur on or before April 5, 2019.

Recall that on January 2, 2019 our client gave the Township an extension of time in which to render a decision on the pending Plan. Given the fact that revised plans will be filed this week, through this correspondence our client is granting an extension of time to August 30, 2019 for the Township to act on the revised Preliminary Plan.

As always, if you have any questions, please do not hesitate to call us.

Very truly yours,

LOUIS J. COLAGRECO, JR.
